Hello Alex Rajewski,

In response to your request for public records tracked as PRA #R000168-040225, City of South Pasadena has completed its review and will provide the disclosable public records responsive to your request, some of which have been redacted or are exempt from disclosure as set forth below.

Government Code section 7922.000 to remove information wherein the public interest served by not disclosing the record clearly outweighs the public interest served by disclosure of the record.

Government Code section 7927.700 Except as provided in Sections 7924.510, 7924.700, and 7929.610, this division does not require disclosure of personnel, medical, or similar files, the disclosure of which would constitute an unwarranted invasion of personal privacy.

We are committed to fulfilling your requests and will provide you with the relevant documents on a consistent and regular basis (bi-weekly) until the process is complete. City of
SOUTH PASADENA

Hello Alex Rajewski,

Thank you for submitting a request for public records to City of South Pasadena on April 02, 2025. Your request mentioned:

Records Requested: I would like to get records related to permits filed for tree removal in since 1/1/2024. Specifically I am interested in the applications themselves as well as the arborist reports that accompany them. If the application was contested by the neighbors, I would also like to receive the comment/letters that were submitted to NREC. I understand that contested removal applications with comments are submitted to NREC, but I am looking for a more complete picture of all the requests to remove and prune trees in the city regardless of whether they are approved or not.

Thank you!

Pursuant to California Government Code § 7922.535, staff will review your request and respond to notify you whether the request, in whole or in part, seeks copies of disclosable public records in the possession of the City and if so, whether there are responsive records, or if an extension is necessary to make this determination.

If your request was received after business hours or on a weekend or holiday, the next business day will be considered the date of receipt. The 10-day response period starts with the first calendar day after the date of receipt.

You may be contacted by a City staff member if there are questions regarding your request. For questions or additional information, please reply to this email.

Thank you for contacting the City of South Pasadena.
